Arizona Revised Statute 13-804(A) authorizes the Court to order, in its own discretion, the defendant to reimburse economic loss by the defendant's conduct.

IT IS ORDERED, the La Paz County Superior Court establish a Urinalysis Testing Reimbursement Fund for adult offenders who are ordered to pay for the cost of the testing service. This Fund applies to defendants who have been released from custody on a pre-trial program, post-conviction sentencing and services provided to other law enforcement agencies. The collected amount will be deposited by the Clerk of the Court or the Court Administrator into Account # 020-047-2010 with the County Treasurer. The Fund will be used to offset expenses associated with urinalysis substance abuse testing.
